Upon the receipt of this registration form, The Administrator Mentoring Program Board will forward the name(s) of potential mentors, from your region, for the superintendent's consideration as a mentor for the new school leader. We request superintendent approval of the mentor before other contacts are made. The selected mentor will then make contact with the new school leader to initiate the mentoring process.

Administrator Mentoring Program details:

Year One

- 40 hours of support beginning in August with a state-wide New School Leaders Training program
- During the year, there will be 26 hours of direct, one-to-one mentoring between the mentor and new leader
- In June, there will be a state-wide culminating meeting to assess year one of the Administrator Mentoring Program.

Year Two (does not include superintendents)

- 26 hours of support with 18 hours of continued one-to-one mentoring and
- 2 half-day regional focus group meetings
